Performance figures to last month end

Portfolio Expense - The portfolio expense is calculated using the weighted value of the OCF of the portfolio constituents. Where the OCF is not available the TER is used.

Please note: Historic yield figures will only be provided for funds with at least 12 months of performance history.

Performance figures to last month end, rebased in Pounds Sterling, ordered by largest original holdings.

Estimated contribution values are based on the percentage weightings being correct at the start of the analysed performance period.

Original weightings reflect the weightings at the last portfolio change - 01/05/2017.

Please note: Historic yield figures will only be provided for funds with at least 12 months of performance history.

\*\* The history of this unit/share class has been extended, at FE's discretion, to give a sense of a longer track record of the fund as a whole.
